**Read the story.**

Once, there was a grasshopper. He liked to spend his time in the garden. He used to play with his friends, ant. They sang and played in the sunny days. They found food everywhere and never had to go hungry.

Then the rainy days come. Grasshopper had not stocked up any food at home. He could not go out in the rain, or to visit ant. After three days , he fell sick and could not move. He never saw the sun again.
